

PINE BELT ARENA

QUICK FACTS

PINE BELT ARENA

BUILDING INFORMATION

Seating Capacity: 3,500

Seating Set-up Breakdowns:

End stage setup ("Concert Alternate") – 2,568

End stage setup ("Concert") – 3,108

Basketball – 3,108 bleachers

Center stage (wrestling or boxing) – 3,108

Stage:

The maximum the stage can be set for is 60'x40'. Most events the stage is 40' x 28'.

Size of Floor:

The floor is 100' x 70' in a concert setting. The 100' measurement represents the distance from the end of the stage to the bleachers on the south end of the arena (when fully extended). The 70' measurement represents the distance from the front of the bleachers on the west side to the front of the bleachers on the east side (with both sets of bleachers fully extended).

Backstage Area:

The backstage area is approximately 40' deep x 98' wide. The 40' depth is from the storage rooms forward to the stage set for a concert. The measurement along the back wall is 98' wide. This covers the areas in front of the doors that lead to the outside sidewalk.

Outside Storage Area:

The outside storage area is approximately 2400 sq. ft. (30' x 80').

Power, Lights, and Sound:

There are two generators; one generator is 300 kw and the other generator is 400 kw. The PA system is handled in-house while the sound and lights are contracted out because there is no in-house audio or light system.

Ticketing:

The *Pine Belt Arena* uses *Tickmaster* as the in-house ticketing system.

The ticketing system allows for the following types of purchases:

- over the Internet;
- at the box office at 1245 Old Freehold Rd. Toms River, NJ;

. The *Pine Belt Arena* provides daily reporting of ticket sales and reconciliation information after the event.

Catering and Concessions:

The *Pine Belt Arena* provides a full catering staff and menu for all events. There is a concession area.

Merchandise:

The *Pine Belt Arena* staff maintains all merchandise areas.
