September 14, 2017

Dear Toms River Regional School Community members:

On behalf of our Board of Education and my central office leadership team, I welcome you all back to the 2017-2018 school year! I hope that you enjoyed a restful summer with friends and family where you had the opportunity to create new and wonderful memories and rejuvenate for the new school year.

As I begin my fourth year as your Superintendent of Schools, I remain honored, focused and excited to be serving you and our children as we work together as partners to ensure that our students continue to receive the best educational experiences possible in safe, healthy and nurturing environments. I want to sincerely thank all of you for your efforts in preparing for another successful school year opening. It is a daunting task that takes more than just work but also requires a strong passion and commitment by so many.

Please click on the following link <http://www.trschools.com/docs/2017/09/2Our-Story.pdf> where you will find this year's district narrative snapshot of our many recent accomplishments and our plans moving forward. Every milestone we've achieved, each award and every success story is a testament to the hard work and dedication of our teachers, administration, students, support staff, parents, educational partners and the vision and support of our Board of Education. We proudly invite you to read this document, and to share in its message not as a bystander, but as someone who has played a pivotal role in helping us grow and thrive as a school district.

Much has been accomplished and the momentum, our collective pride and enthusiasm will continue to move our district forward. As we enter into this new school year, our focus will remain student centered, and my goal is to continue to provide you with the leadership necessary to foster a sound educational system.

Thank you for your ongoing support of Toms River Regional Schools, and best wishes to all of you for another outstanding school year.

Sincerely,

David M. Healy  
Superintendent of Schools
