Toms River Green Team Continues Poseidon Speaker Series

(Toms River, NJ) The Toms River Green Team in partnership with Toms River Regional Schools is continuing the Poseidon Academy TRUST Speaker Series in 2019.

The speaker series invites individuals to present on environmental and sustainable topics such as the health of Barnegat Bay, green economy, storm water management, energy conservation and assistance programs, arts and the impact on the local economy and other similar topics.

Dr. Marc Natanagara will be speaking on Tuesday February 19, 2019, at 7:00pm at the Poseidon Academy. His topic is "What Sustainability Means in Our Schools."

Dr. Marc Natanagara has been a high school science teacher and pre-k - 12 Administrator over a 32-year career, now in the Toms River Regional School District. His work has focused on bringing together content areas, resources, and community members to spark creative and sustainable solutions, particularly using a maker mindset to engage learners of all ages. He has facilitated the creation of dozens of maker events and spaces and helped bring in nearly \$3 million in STEAM and other grants.

Events are free and registration is not required. Space is on a first come, first served basis. The Poseidon Academy is located across from the Post Office on Irons Street. For more information, contact Erika Stahl at estahl@tomsviertownship.com
