Happy New Year East Dover Elementary School Families!

Mrs. Nocera and I hope you all had a great winter break and were able to spend time with family and friends. Additionally, we were happy to see all of our students, faculty and staff kick off the 2016 school year with excitement. This week, you will find a copy of the Winter Curriculum Newsletter! (Attached) Please take a minute to see some highlights from the district.

**Spotlight on: Grade 2**

Second Grade is soaring into the new year with excitement. The students are actively involved during Math Workshop and they are improving their fact knowledge daily. Students are also engaged in games that make learning meaningful and fun.

Students in second grade have been working on their creative writing skills by adding vivid words to make their writing more elaborate. May writing pieces are displayed through the building. Students have had active discussions about their resolutions for the New Year and set goals to strive for in and out of school.

**PTONEWS:**
