

STEAM

Science Technology Engineering Art Math

We invite our East Dover families to come and participate in our S.T.E.A.M. Night. Join us as we create, tinker, discover, and learn.

Guest Speaker- Sergeant G. Bachonski will discuss Cyber Safety

HS EAST Robotics Team

March 12, 2019
5 p.m. - 7 p.m.
East Dover Gymnasium & Seeds of Inspiration

Sensory Friendly Space available for students who would benefit from a quiet environment. Room 327

Please return the bottom portion to school as soon as possible. Due to the space, we will limit our participants to the first 200 people per session. **Return form by March 8th.** If you have any questions, contact hkoerner@trschoools.com

*****All students must be accompanied with their parent/guardian for the entire session.**
