Full-Time/Long-Term Opportunities

Welcome to the Toms River Regional Schools Employment Center. Full-time and substitute applications are accepted online only on a rolling basis, twelve months a year. The ability to apply for a position does not indicate a vacancy. If a current vacancy exists, it will be listed in on the left under vacancies on the Applitrack application site.

While you do not need to complete the online application in one session, your application is not active until it is complete and submitted. You will receive an automatic e-mail once the application has been completed. If you have any questions, please contact the personnel listed under the department.

Applicants who have already filled out applications should always apply to a position when it is posted. Simply sign in to your application and click on the posted position. Applicants can then check off the position they are interested in.
