Raider Teacher of the Year:
Mr. Cohen
By: Miranda Greenberg and Kaitlin Lord

Raider excellence is a quality that not only the students possess, but the faculty and staff possess as well. Each school year, the teacher who represents East in a positive and well rounded way is selected for the honor of High School East Teacher of the Year. The Teacher of the Year panel consists of the administrators and previous Teachers of the Year. The process starts by the faculty and staff submitting nominations and then the committee holding a meeting to narrow down their selections which ultimately lead to the Teacher of the Year. On Friday, March 1st, Mrs. Baldi proudly announced the Teacher of the Year for the 2012-2013 school year. The honor was awarded to history teacher, Mr. Kevin Cohen.

Mr. Cohen has been teaching at High School East for 14 years. Before teaching, Mr. Cohen studied at Rowan University, double majoring in history and education. Mr. Cohen was “very surprised and humbled” upon hearing he was awarded the title of Teacher of the Year. He said that the students at East motivate him because “they strive to do well at the AP level and it makes me want to be a better teacher.”

In addition to teaching, Mr. Cohen is the advisor for the History Club and the head coach for the Lady Raider basketball team. To add to his already successful year, Mr. Cohen also reached a milestone of 100 wins during this past coaching season.

Mr. Cohen’s ultimate goal when teaching is, “to have my students understand the importance of history as well as succeed and be prepared as best they can for the AP Exam.” Therefore, Mr. Cohen devotes a lot of his time to his students, including teaching what students need to know, and preparing them for their AP Exam.

Many students and staff have stopped by Mr. Cohen’s room to congratulate him on this prestigious honor. His students are very proud and excited for his win. “I feel very honored to have received this award.”

March- Youth Art Month
By: Miranda Greenberg

March is Youth Art Month. Youth Art Month is an annual observance to emphasize the value of art education for all youth and to encourage support for quality school art programs. Grades kindergarten through 12th participate in Youth Art Month. It is a wonderful opportunity to share with the community, the artistic talents of our students, as well as the benefits and necessity of arts education in all of our schools. Youth Art Month showcases the excellent visual arts education being provided throughout the state of New Jersey.

Student art work from the Toms River Regional Schools was exhibited at the Toms River branch of the Ocean County Library. Various students from all four East art classes were chosen to display their artwork, as well as other students from the other Toms River Schools. The Toms River branch of the Ocean County Library showcased the Youth Art Month art on Monday, March 4th.

“There was a reception for the artists, their families, and teachers on March 4th at 6:30 p.m., with certificates given to the participating artists,” art teacher, Mrs. Seeland said.

Elementary students showcased their artwork downstairs, and intermediate and high school student artwork was located upstairs. It was a great night for the arts!

Polar Bear Plunge-German Club
By: Morgan Orozco

The 20th Annual Polar Bear Plunge was held on Saturday, February 23rd. This event is held each year to raise money for the New Jersey Special Olympics. Many participants travel from all over the tri-state to participate in this fun and charitable event. The plunge is run by the Law Enforcement Torch Run, a volunteer effort by the Law Enforcement Community of New Jersey to raise funds and awareness for Special Olympics New Jersey. Special Olympics New Jersey provides year-round sports training and Olympic-type competition in 24 sports for more than 22,000 children and adults with intellectual disabilities, all completely free of charge.

This was the second time the German National Honor Society participated in the Polar Bear Plunge. They raised an estimated $2,000 for the Special Olympics of New Jersey. Seniors Brandon Goodwin, Kyle Schnering, Mike Yeager and juniors Eric Doran, Tyler Ferriero, Amy Finkelstein, Josh Greiner, and Erika Szumel, along with German Club Advisor, Mr. Tourjee all “took the plunge” for a great cause.

“We stood on the beach all morning in drizzling rain to jump into the 38 degree water of the Atlantic Ocean. We had a great time and are aiming to raise $3,000 next year,” Mr. Tourjee said.

McDonald’s Crew Person of the Year: Melissa Frank
By: Rhodasia Harris

Congratulations to East senior Melissa Frank for receiving the McDonald’s Crew Person of the Year Award. This is an annual performance based award that recognizes the top performing McDonald’s employees or “crew” in the country. This award was established to honor hardworking crew employees. The Crew Person of the Year Award honors the top McDonald’s crew employee in each of McDonald’s 22 regions across the United States.

Established in 2002, the award spotlights the contributions McDonald’s crew employees make to the business by delivering exceptional customer satisfaction. One employee per region was chosen this year to receive the Crew Person of the Year Award, an honor that comes with a cash prize, plaque, pin and more.

“I was really surprised that I won McDonald’s Crew Person of the Year Award,” says Melissa Frank, “I was very honored and privileged, too.”

Donna and Kevin Belbey, Owner/Operators of two Toms River locations, said that they were thrilled to honor Melissa Frank with the Crew Person of the Year Award. Melissa has worked at the Fischer Boulevard McDonald’s for two years as a valued employee and has established a solid customer base in which she knows what they want before they even walk in the door. She makes the customers feel welcome and special.

Not only is Melissa an outstanding employee, but she is also dedicated to community service. Melissa is a volunteer Peer Leader at Harbor House, which is an organization that provides children a safe haven to escape from broken homes. Melissa leads group sessions giving kids someone they can relate to. In addition to her volunteer work with Harbor House, after Hurricane Sandy, Melissa brought food and clothes to East, which quickly became a shelter. She helped with the organization of the shelter, played with the children, and took pets for walks.

Congratulations on your prestigious award.
