Synopsis: It's a dismal day at the Addams family's manse, with the ever-approaching storm clouds reflecting the gloomy atmosphere that has beset the household. Daughter Wednesday, now eighteen years old, has found herself experiencing a surprising new sensation, one that frightens both her and her family: she has fallen in love. Lucas Beineke, the object of her affections, comes from a seemingly normal family, and he and his parents Mal and Alice are on their way to the Addams' estate to become better acquainted with the family over dinner.
