

Sophomore Jada Williams is having a spectacular year at Toms River North. Jada, a bona fide 800 meters runner, won her heat in the 400 meter dash at yesterday's tri-meet. Off the track, Jada is an outstanding student with the grades to prove it. Coach Mike Salvaggione took notice and was pleased with her performance. "Jada worked hard throughout the cross country season." Thinking ahead to the fall, Jada is in position to grab the decisive 5th spot on the Varsity Cross Country team. Her determination to apply herself 100% in all that she does, now puts Jada in the "Student Spotlight!"
Go Jada! Go Mariners!
