to me

Dear Parents, Guardians,

CONGRATULATIONS!

Congratulations to our boy's tennis team on winning the Ocean County Tournament this past weekend! Kenny Elliot, Ethan Liou, Yanir Shriki, Justyn Byrd, Shea Bontempo, and Ryan Dowds all won first place in their flights. Good luck to Kenny and the doubles team of Yanir and Justin in the individual states this weekend.

OCVTS POST SECONDARY SCHOLARSHIP

Any Senior who will be attending the Vocational School next year, should apply for their post-secondary scholarship. The scholarship is for \$2,500 and will cover most of the fees for their programs. See you Counselor for an application.

PSAT'S

ATTN Sophmores: Next year, in October, we will once again be giving PSAT's to 9th and 10th graders. We are allowing 11th graders to test, but you must sign up in writing.

If you want to take the test, you must submit your request in writing or email to Mr. Borthwick in the Guidance Office. By signing up, you are committing to taking the test because the school will be paying for the test.

The deadline to request a test is Monday, June 18.

THE ART OF WAR

On June 4 and 5, Toms River High School North will be hosting Mr. Frank Romeo of "The Art of War". Mr. Romeo is a Vietnam Veteran who was part of a small Special Forces group that was ambushed in August of 1969. He was shot 7 times and woke up months later in a hospital in Japan. After a year of surgeries around the globe, he was discharged from a hospital in Queens, NY where anti-war protesters spit in his face and called him a murderer and a baby killer. The last few months of his service contract were spent in a military prison after being arrested at West Point for drug use (the year of surgeries and prescription drugs by Army Doctors led to addiction).

Mr. Romeo spent 40 years battling an internal struggle with his Vietnam experience and PTSD while raising a family of 7 children on Long Island. His story is too complex to share in full here. He began painting in private in the 1990's as a way to deal with the trauma of Vietnam. One of his paintings is now in the National Veterans Art Museum in Chicago as part of a collection that has been declared a National Treasure.

Part of Mr. Romeo's current work is promoting a planned walk across NY State to increase awareness for PTSD and the plight of our many disabled, homeless or unemployed veterans. He plans to raise funds to support a documentary film to spread his message to a national audience.

The exhibit will be open to the public at no cost on the evening of June 4. Mr. Romeo invites the students and parents of our district along with any interested members of the community to discuss the effects of war, PTSD and the plight of our veterans. He has a large exhibit of Vietnam veteran artwork and artifacts with an emphasis on the many complex facets of warfare and the rippling effects on society in the United States. Please spread the word to anyone you think would be interested and let me know if you would like additional information. I think it will be impressive to have a district-wide showing of support for this relevant topic and presentation that can spread a positive message that has the potential to influence us all in some way.

Please keep June 4 available for a visit to Mr. Romeo in the Arena at Toms River High School North. The exhibit will be open to the public on June 4 from 5 - 10pm.

Below is a 3 minute film on his current project and the link to his website.
