Dear Parents,

You are cordially invited to attend the incoming Freshman Academy Orientation session as well as an informal tour of Toms River High School South. The Freshman Academy, developed around the concept of a small learning community, is a school-within-a-school, organized around interdisciplinary teams of English, math, science, and social studies. Incoming students are connected to a select team of caring academy staff who will use research proven best instructional strategies to teach the curriculum as well as address their students' needs more personally. Teachers work in a collaborative environment and are committed to the learning of the students they share. The orientation will begin promptly at 9:00 AM in the Cafeteria. Please enter High School South from the Hooper Avenue entrance and enter the building through door #12 where you will sign in and receive your child's schedule. Please attend **with your child**, who will be entering High School South as a freshman student with the class of 2019. If you are unable to make this visit together, your child is most welcome to attend alone.

The following schedule has been arranged to accommodate your visit.
