

Directions from Central Registration to Toms River Schools

Beachwood Elementary

Go West on Washington Street, turn left onto Main Street (Route 166.) Turn right at the first light, which is Water Street. Stay to the left and make a left turn at the first light onto Irons Street. Continue to the left over the bridge through the traffic light, which will merge you onto Atlantic City Boulevard. The second light is approximately one mile, turn right onto Beachwood Boulevard. Stay on Beachwood Boulevard for approximately one mile. Turn left onto Birch Street for approximately one-half mile then right on Berkeley Avenue for one-tenth of a mile. The parking lot is in the front of the building. Visitors must ring the bell at the right side of the main doors, announce themselves, and state their business in the school and they will be admitted and directed to where they need to go.

Cedar Grove:

Head east on Washington St. Make a left on Hooper Ave., cross over Route 37 and make a right on Cedar Grove Road (there is a Howard Johnson and gas station on the corner). Continue approximately ½ mile and the school is on your right. 173 Cedar Grove Road.

East Dover

When leaving 54 Washington Street, go east on Washington Street. Washington Street will merge onto 37 EAST. Go East on 37 to Vaughn Avenue (first light after merge). Take jughandle crossing over Highway 37. Go north on Vaughn Avenue. After going through traffic light at Windsor Ave., go approximately three blocks to East Dover Elementary – 725 Vaughn Avenue. Turn right into driveway. As you enter the driveway make a left into the parking lot. Main entrance (Door #1) is immediately in front of the parking lot.

Hooper Avenue:

Start out going east on Washington St for .1 miles. Turn left onto Hooper Avenue for 3.4 miles to Hooper Avenue Elementary School which is on the right. Park in front of the building and enter through door # 1.

Joseph A. Citta Elementary:

Take Main Street (Route 9) and continue North across Route 37. Continue on Route 9 for about six miles to Citta Elementary on your left.

North Dover Elementary

Drive north on Main Street (Rt. 166). Continue across Rt. 37. Bear right at green arrow light to Old Freehold Rd. Continue for about 4 miles. Bear to the right on New Hampshire Ave. Continue across Church Rd. Turn right into North Dover parking lot

Pine Beach Elementary

Go West on Washington Street, turn left onto Main Street (Route 166.) Turn right at the first light, which is Water Street. Stay to the left and make a left turn at the first light onto Irons Street. Continue to the left over the bridge through the traffic light, which will merge you onto Atlantic City Boulevard. Proceed south passing through three traffic lights (approx. 2 mi.). Look for Sand Castle Diner (on your right). Turn left on Larboard Ave. (1st street south of diner). Turn right on Forepeak Ave.(second street). Forepeak takes you right into the school parking lot. Park and proceed to the eastern most set of double doors (buzz main office for admittance to school).

Silver Bay Elementary

Proceed east on Washington Street past the courthouse and the library and make a left. This will be Hooper Avenue. Continue north past the Ocean County Mall and Ocean County College. At the corner of CVS, make a right onto Silver Bay Road. The school is four blocks from the light on your left hand side. Total trip is approximately 15 minutes.

South Toms River Elementary School:

Go West on Washington Street, turn left onto Main Street (Route 166.) Turn right at the first light, which is Water Street. Stay to the left and make a left turn at the first light onto Irons Street. Continue on this road and make a right at the traffic light onto South Main Street. Take South Main Street to blinking yellow light. Make a right onto Dover Road. Go straight through 2 traffic lights. Look for school sign on right. Make a right onto Yanette Drive right before sign. This is our parking lot. The school is at the end of lot on the left. Main Office is door #1. Buzzer is on the left of doors. Smile for the camera.

Walnut Street Elementary:

Take Washington Street west to Route 166 (Main Street) North. Turn right. Cross over Route 37 and continue straight until you come to the traffic light. Bear to the right at the light and the cemetery. Make the first right (Walnut Street). Proceed to the school on your left. OR Head east on Washington Street to Hooper Avenue North (left at light). Cross over Route 37 and continue straight to the jug handle by Ocean First Bank. Bear right into the jug handle and cross over Hooper Avenue onto Walnut Street. Proceed down Walnut Street and look for the school on the right.

Washington Street

Go east on Washington Street to Clifton Avenue (2nd traffic light). Make a left on Clifton, and turn right on Batchelor Street at the blinking light. At the 4th street up, make a right on West Earl Court. The school is on the top of the hill.

West Dover Elementary:

Head west on Washington Street to the corner of Washington Street and Route 166 (Main Street). Make a right at the light onto Main Street heading north. Make left at first traffic light, onto Route 37 West. Go under the parkway overpass and go through two traffic lights. Just before the 3rd light, take the jug handle for Cardinal Drive. Make a right at the stop sign onto Cardinal Drive. Make a left onto Blue Jay Drive. West Dover Elementary is at the end of the street. Follow the road through small circle in front of the main entrance. Parking is on the side of the building. Please enter through the front of the building. Report to the main office.

Intermediate East

Go east on Washington Street to the first traffic light. Turn left onto Hooper Avenue. (O.C. Courthouse will be on your left.) Follow Hooper Avenue 3.4 miles. Just after the traffic light immediately after Hooper Avenue Elementary School, turn right to enter the Intermediate East's parking lot. Come in to the main office.

Intermediate North

Right on Main Street, through Route 37 traffic light, continue on road until fork in the road (cemetery in front of you) take left fork to Rte. 571 West traffic light. At LukOil gas station make right, proceed to Intermediate North Way (The Goddard School is on your left). Make left, Intermediate North is on your left.

Intermediate South

Go West on Washington Street, turn left onto Main Street (Route 166.) Turn right at the first light, which is Water Street. Stay to the left and make a left turn at the first light onto Irons Street. Continue to the left over the bridge through the traffic light, which will merge you onto Atlantic City Boulevard. Turn right at the first traffic light onto Admiral Avenue. Stay on Admiral Avenue, which becomes Surf Avenue, approximately 3-4 miles. School will be on left side.

High School East

Head EAST on Washington Street towards Route 37 East (approximately 1.8 miles - through 3 traffic lights). Merge onto Route 37 East and travel 1.1 miles through the traffic lights at Vaughn Avenue and Coolidge Ave. Immediately after the light at Coolidge, take the U turn and cross over Route 37 onto Coolidge Ave. Travel on Coolidge Ave for 1 mile. Turn left onto **RAIDER WAY**. Travel briefly on Raider Way. On the LEFT is the entrance to Toms River High School East identified by the Flag Pole and the School Sign. Take the Entrance Road to the front of the building to Visitor Parking. Enter through the Front Doors into the Main Lobby. Make a right into the first hallway, then a left to the Middle Hallway. The Guidance Office is on the left.

High School North

Washington Street west to Main Street – turn right. Stay on Main Street – go through Route 37 traffic light. Bear right at Old Freehold Rd. light (cemetery remains on left). Proceed through two additional lights (Chestnut and Mapletree). Toms River High School North is on the right before the Ocean County Vocational School. Turn right into main entrance (before the school), turn left into front parking lot. Visitor parking is located on the left, enter doors underneath the awning. Proceed to the front office to be assisted.

High School South

When you leave the main entrance head west. You will make the first right onto Hyers Street and continue up the road to the main entrance of the school.
