Back to School Nights:

I would like to thank all of the parents who attended our Back to School Nights this past week. These nights began the process of effective communication between the school and parents. This is essential for positive communication between all parties involved to ensure a successful school climate.

School Security:

As we look for ways to keep our students safe, we will be implementing a new security protocol for visitors beginning Monday, September 17th. If there

is a need for you to enter the building, you will buzz the main office, show your ID and wait for Officer Worth to meet you at the front door. If you are just dropping something off, you can buzz the office and place the item on the table outside and leave. Officer Worth will go outside and collect the items. Thank you in advance for your cooperation!

Staff Shout-Out:

I wanted to take a moment to recognize a stellar colleague who truly “SOARs!” Miss Zaragoza has gone above and beyond to offer support and assistance to me as I join the MD team. She has welcomed me into her classroom (including creating a personal work space for me), shares her MD resources, and has generously given of her time to answer countless questions. Miss Zaragoza’s wealth of knowledge, dedication to her

students and programming, and her positive energy make her an incredible teacher and colleague! I am very thankful to work with such a fabulous person!

Special Education Parent Advisory Group:

Please see the attachment for their meeting dates.

Attendance:

It is extremely important for each child to be present each and every day in order for them to reach their maximum potential. Studies show that students who have chronic absenteeism tend to have difficulties with their academics. There is nothing that can replace the instruction a student receives from their teacher. If your child is absent from school, please provide the school with a doctor's/parental note to explain the absence.

Silver Bay's Vision Statement:

At Silver Bay, we embrace and develop the unique abilities of each student through

compelling, creative learning experiences. We provide a safe and nurturing environment and instill a sense of pride and self-worth in each student. WATCH US SOAR!

Team Run for Life Fitness Carnival:

Saturday, October 6th between 8:00 and 10:00 AM is the 25th Annual Team Run for Life Fitness Carnival. The event is open to all students in grades Kindergarten to 5 and the fee to enter is only \$1.00! Permission slips will be given to all students to take home, if you need a new one, see Mrs. Aromando, Mrs. Dippolito or Mrs. Fallano for a copy. The top 2 classes who have at least 5 or more participants will win a FREE GYM PERIOD!! Even if you can't make the run, you can still register with the \$1.00 donation that will go to the TEAM students fund (Toms River High School's student volunteer program). In 2016 Silver Bay received 3rd place with the highest percentage of registered students, we are aiming for 1st place for the first time ever!
