Michael J. Devita: Principal

Courtney Norcross: Supervisor of Instruction

Tree Lighting:

The Ocean County Tree Lighting has been moved to Wednesday, December 12th at 4:45. We look forward to watching our Silver Bay Chorus sing holiday songs before the tree lighting.

Winter Arts Festival:

The Silver Bay Chorus will be hosting their winter concert for the parents on Tuesday, December 11th at 6:00. The chorus will also perform two concerts on Tuesday, December 11th for the staff and students.

Class Happenings:

Mrs. Constantine's first grade class are published authors! The class is learning about the writing process. First, the class wrote a rough copy of a writing piece about what they are thankful for. Next, with the help of Mrs. Constantine and Mrs. Hall, they edited their work. Then, they wrote a final draft and drew an illustration to go with their stories. Last, they sent their final drafts and illustrations to Student Treasures Publishing. Each student has a page in their class book titled "We Are Thankful!" The books were bound and are beautiful. The students and families will treasure them for years to come! Mrs. Constantine couldn't be more proud of their hard work!

Yankee Candle Fundraiser:

Yankee Candle Pick-Up will be Tuesday, December 11th from 3-5:30 in B cafeteria.
