

Silver Bay Elementary

Seagull News

January 18, 2019

Michael J. Devita: Principal

Courtney Norcross: Supervisor of Instruction

District News:

After two years of discussion, planning, community feedback, and NJDOE review, on January 22, 2019, the Toms River Regional School District will be asking the community to vote on a plan to repair and restore facilities and grounds at eighteen school buildings and five outbuildings across our 52 square mile community. If you missed our Rebuilding Our Schools Referendum community meetings this past week, to see what's at stake for Silver Bay, and for more information, go to:

<http://www.trschools.com/community/referendum>.

Spread the word!

Silver Bay is a polling place and we will have our Class 3 Police Officer and Toms River School Security in place for the safety of our staff and students.

Safety:

Please be sure you are following the drop off/ pick up procedures in the parking lot. During pickup, cars are not allowed to move until every student is in a vehicle.

Please follow the directions of the staff and police. Thank you in advance for your cooperation, as we look to keep all of our students safe.

Inclement Weather:

Please make sure we have your most updated contact information so you can receive the automated phone call if school is canceled or delayed due to inclement weather. You can also get this information from the district web-site, TV21, or WOBN.

Recess:

The weather is getting much colder and the students will be going outside during recess. The children need to remember to bring their coat, hat, and gloves with them to school. Your child's name should be printed on these items so we can return them to you if they become lost.

PTO Auction:

31 PTO Fundraiser has been extended to Tuesday January 22nd.

To shop just click the link below
