Heart Heroes:

Hello, Silver Bay Elementary School! I just want to remind you that our Kids Heart Challenge event is coming up next week during PE classes. We are excited to continue jumping rope while helping others with heart disease and stroke. As Mrs. Dippolito and Mrs. Aromando have talked about, we want every student to live a heart-healthy lifestyle, and that can start by taking one of the American Heart Association's Heart Health Challenges!!

Please click below on the Kids Heart Challenge link to get started. We challenge YOU to sign up online today, and either pledge to be active 60 minutes each day, drink water versus sugary beverages, or do a good deed daily!

It's fun and easy, and just for registering; you receive a free Heart Hero wristband!! Should you choose to email friends and family to ask for support you can also earn our Heart Hero friends, Finn and Ruby.

I look forward to seeing you all soon at our event and don't forget, you all can be HEART HEROES!!

Class Happenings:

Mrs. Brubaker's and Mrs. Klass's third graders worked hard all week last week to run their first "Souper Bowl" soup drive. Thank you to all of our families for your donations of soup and thanks to our hard working students who packed a grand total of 558 cans of soup to be donated. The third graders learned that by helping others, everyone wins!

Pre-School Program:

Please see the attached flyer that contains information about our pre-school program.
