Jump Rope for Heart:

Silver Bay Students are True Heart Heroes!!! The Physical Education Department & Silver Bay families have raised over \$18,000 for the American Heart Association's Kid Heart Challenge! Thank you!

Class Happenings:

Mrs. Tormey-Miller's first grade class celebrated Read Across America and Dr. Seuss's birthday on March 1st. After reading and discussing Green Eggs and Ham to her class, Mrs. Tormey-Miller made green eggs and ham while the children partner read various Dr. Seuss books. The students then ate the green eggs and ham, marshmallow Lorax "trees" and One Fish, Two Fish snacks from a goodie bag. As a follow-up to the green eggs and ham, the children used tally marks to help them make a bar graph showing the likes and dislikes of the green eggs and ham. Most of the children in our class liked the green eggs and ham! It was a fun learning experience for all!

Youth Art Month:

The Toms River Schools will be celebrating Youth Art Month at the Ocean County Library, Toms River branch on Monday, March 11th with a reception from 6-7:30. Please stop by and see the artwork that belongs to Silver Bay students as it will be on display from March 5th to March 29th.
