Class Happenings:

Mrs. Danelson's and Miss Zaragoza's classes have been learning that there are many strong people that have left their mark in history. Students starred in the video production of the

Storyworks play *Ayanna the Brave*. Using the green screen, students were transformed back to the Katz dinner in 1958. Students then had a “viewing party” to teach their second grade buddies about the power within themselves and perseverance.

Youth Art Month:

The Toms River Schools will be celebrating Youth Art Month at the Ocean County Library, Toms River branch on Monday, March 11th with a reception from 6-7:30. Please stop by and see the artwork that belongs to Silver Bay students as it will be on display from March 5th to March 29th.

Meet the Music Program:

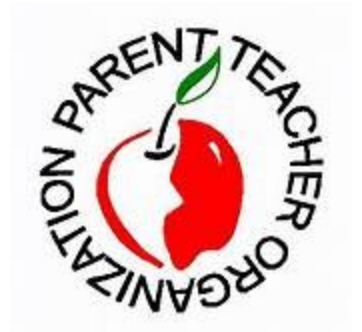

Please see the attached flyer about our Meet the Music Program.
