

Using the Toms River Parent Portal

How do I login to the portal?

Go to www.trschools.com and click on the Technology Tab. Click on Parent Portal. Your account is the email address that you gave on the registration form; your password will be emailed to you as soon as your account is active. Please enter the password exactly as you see it as it is case sensitive. This password is temporary and you will be required to change it on first login. Please login to your account as soon as possible after receiving your email notification.

Where can I view my child's attendance?

If you have more than one child, be sure to select him/her from the dropdown menu at the top of the portal home page. Click on the Attendance Tab. Moving your mouse pointer over a highlighted date will show you the reason for the absence.

Where can I view my child's progress report or report card?

If you have more than one child, be sure to select him/her from the dropdown menu at the top of the home page. Click on the Grading Tab. You will see your child's schedule and a link that will indicate IR (interim report) or RC (report card). Click on that link and a .pdf version of your child's report will open. If you do not have Adobe Reader on your computer you can download it free by going to www.adobe.com. You can print a copy of either report by using the printer icon at the top left of the .pdf page.

Why can't I see my elementary student's report card?

For the 2009-2010 school year, we will pilot the third and fourth quarter online report card system with Walnut Street Elementary and Pine Beach Elementary. When the report card window closes for those two schools, you will be able to see report cards. All elementary schools will be using the online system for the 2010-2011 school year.

How can I change my password?

Click on the Setup tab. You will be required to enter your current password, a new password and confirm the new password.

What if I forget my password?

If you forget your password, when you go to the portal login screen there is a link that says "forgot my password." When you click on that link, you will be required to enter the email address that you gave on the form. Once that email address is validated, your password will be mailed to you.

What if I am having difficulty with my computer or Internet browser?

Unfortunately, we cannot support computer problems or browser problems. However, if you are having difficulty with your login, please call the Technology help desk at 732-818-8548 or Central Registration at 732-505-2600. We will do our very best to help you.
