

Plan Summary

This chart explains what your plan covers and what your share of prescription costs will be. You can also find it on our website.

PPO PLAN A/ PLAN B

Under your plan, prescriptions for long-term medications (used to treat conditions like diabetes, asthma, or high blood pressure) must be filled in 90-day supplies by mail or at an in-network pharmacy. **If you fill these prescriptions in 30-day supplies, your medications won't be covered, and you'll have to pay the entire cost.** Prescriptions for short-term medications (like antibiotics) can be filled at any retail pharmacy in your plan's network.

| | Short-Term Medications | Long-Term Medications |

Oklahoma: Some Oklahoma residents may not be eligible to participate in the Maintenance Choice and/or Exclusive Specialty program. If you have questions about your eligibility, please contact Customer Care at the number on your member ID card.

Specialty pharmacy delivery options are available where allowed by law. In-store pickup is currently not available in Oklahoma. Puerto Rico requires first-fill prescriptions to be transmitted directly to the dispensing specialty pharmacy. Products are dispensed by the applicable specialty pharmacy and certain services are only accessed by calling the pharmacy directly. Certain specialty medications may not qualify.

Products that qualify as preventive services may be available at a lower cost share or no cost share, depending upon your plan, and may change from time to time. Please check your plan benefit materials should you have any questions about your coverage. Certain drug options identified above may be subject to additional prior authorizations or other plan design restrictions. Please consult your plan for further information.
