Hi Dawn,

Can I have the attached added to the committee or board agenda for February? It's an "acceptance of funds" for a grant the board already approved back in May. It's B&G related, for what it's worth, for \$868k+ of security upgrades. If you need anything else, or have any questions, please let me know. Thanks!

MEMO TO: Dr. Stephen Genco, Interim Superintendent

FROM: Joy Forrest, Director of Special Services

BOARD AGENDA ITEM – February 16, 2022

We respectfully request the Board of Education approval for the following student placed OUT OF DISTRICT for the 2021-2022 School Year program in a private day placement.

#69568

CLASSIFICATION: Multiple Disabilities

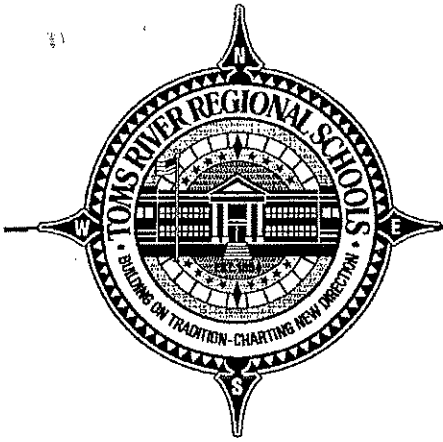

PLACEMENT: Ocean Academy

PRO-RATED TUITION: \$32,477.84

JF/ks

This student is classified eligible for special education and related services based on the criteria of Multiple Disabilities. This student attended an in-district Multiple Disabilities self-contained classroom setting with extensive behavioral interventions. This student did not find success with those interventions and has a history of emotional and behavioral difficulties which require medical intervention, therefore; an out-of-district program was proposed due to the nature and severity of this student's disability. An out of district placement is appropriate as it will provide this student with a smaller, more structured and therapeutic environment with medical management. This placement is a short term intervention.

#51489

CLASSIFICATION: Autism

PLACEMENT: Alpha School

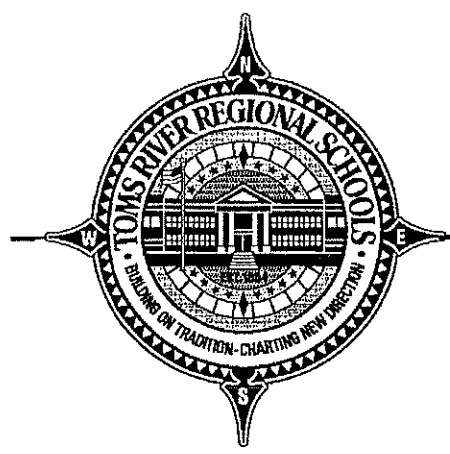

PRO-RATED TUITION: \$44,240.64

JF/ks

This student is classified eligible for special education and related services based on the criteria of Autism. This student has become increasingly aggressive and perseverates on death and going to heaven. This student is so consumed with their perseverations at school this student cannot access special education and related services while attending school. At this time, this student requires a small private special education school that can give him individualized instruction with access to a therapist at all times. This student will also require a paraprofessional for the first few months to help them adjust to their new school environment.
