Memorandum

To: Board of Education

From: Special Services Department

Date: 5/4/22

The special education department is pleased to announce the very generous donation, from DonorsChoose.org, of a clothes dryer for our 18-21 program. This dryer will replace the existing dryer that is no longer in working order. The "apartment", at High School East, is designed to give our adult special education students an opportunity to learn and practice daily living skills- including washing and drying clothes. This new dryer will allow the classroom teaching staff to provide instruction and training on the proper cleaning of clothes and other items for the generalization of skills post-graduation.
