## PART III – COST CRITERIA

SSG typically works with school districts on a per hour basis. The hourly rate is an all-inclusive, and only applies to the hours that the therapist is working. Time off, holidays, sick time and lunch are not billable and SSG will not invoice TRRS for these time periods.

SSG is a company owned and operated by special education professionals. Our goal is to provide the best possible Special Education Services in the most cost-effective way. We understand the budgetary constraints put on schools, and we do our best to keep our rates as low as possible.
