1225 Raider Way
Toms River, NJ 08753

Dear Ms. Aulisi,

Thank you for your school's participation in AlcoholEdu during the 2021-2022 academic year. Please know that the Ocean County Board of Health remains committed to addressing the various substance abuse and opioid issues affecting the residents of Ocean County. As such, the board has dedicated funding to offset the cost of this program to benefit the students of your school district. Enclosed are two contracts for the 2022-2023 school year to be completed and returned with signature to my attention as soon as possible.

In an effort to best utilize the AlcoholEdu program, we are excited to offer the option to collect behavioral data. The way this data is collected is through the use of surveys and questionnaires built into the AlcoholEdu curriculum at three points: at the start of the program, at the conclusion of the program, and then one month later. If you want to collect this data, please let me know when you confirm your participation for 2022-2023. If you have any questions, please do not hesitate to call me at (732) - 341-9700 x7536. Thank you for your time and dedication to the students of Ocean County.

Sincerely,

Toms River High School South

Toms River, NJ 08753

Dear Ms. Rankin,

Thank you for your school's participation in AlcoholEdu during the 2021-2022 academic year. Please know that the Ocean County Board of Health remains committed to addressing the various substance abuse and opioid issues affecting the residents of Ocean County. As such, the board has dedicated funding to offset the cost of this program to benefit the students of your school district. Enclosed are two contracts for the 2022-2023 school year to be completed and returned with signature to my attention as soon as possible.

In an effort to best utilize the AlcoholEdu program, we are excited to offer the option to collect behavioral data. The way this data is collected is through the use of surveys and questionnaires built into the AlcoholEdu curriculum at three points: at the start of the program, at the conclusion of the program, and then one month later. If you want to collect this data, please let me know when you confirm your participation for 2022-2023. If you have any questions, please do not hesitate to call me at (732) - 341-9700 x7536. Thank you for your time and dedication to the students of Ocean County.

Sincerely,
