Board of Education Meeting
August 16, 2023

DATE: July 17, 2023

The District is the designated administrator for the Non-Public Technology and Textbook Funds. I will need Board of Education approval for processing these funds.

At a meeting held on May 3, 2023 with representatives from Donovan Catholic High School, St. Joseph's Grade School, The Goddard School, and Westminster Nursery School, the following plan was developed for the processing and disbursement of funds:

- The Toms River Board of Education will set up accounts for each non-public school;
- The schools will submit purchase requisitions to the Toms River Board of Education;
- The Toms River Board of Education will order materials up to the amount of the funds issued by the State of New Jersey;
- The Toms River Board of Education will receive an administrative fee in the amount of 5% of the total amount of funds issued by the State of New Jersey for administration of the Technology purchases.

I will need a copy of the Board of Education approval and minutes of that meeting to submit with the next year's State reporting. A copy of the Non-Public Technology accounts is attached to this memo.
