**TITLE: BOARD CERTIFIED BEHAVIOR ANALYST**

**QUALIFICATIONS:**

1. Certification as a Board Certified Behavior Analyst (BCBA) or Board Certified Associate Behavior Analyst (BCaBA) or relevant advanced degree.
2. Required experience must include, at least –
  - One (1) year experience completing comprehensive functional assessments and behavior support plans,
  - Experience in behavioral consultation in a school setting
  - Five (5) years' experience serving individuals with lifelong disabilities.
  - Two (2) years' experience in both individual and program-based behavior management, conducting, writing, and modification of functional behavioral assessments, and knowledge of current research on school-based behavior management
3. Adequate experience as determined by the board.
4. Knowledge of laws and regulations governing special education and demonstrated ability to competently plan, direct, assess, and monitor effective applied behavior analysis programs, behavioral intervention plans, and other behavioral strategies.
5. Strong problem-solving, interpersonal, and communication skills.
6. Required criminal history background check and proof of U.S. citizenship or legal resident alien status.

**REPORTS TO:** Superintendent/Assistant Superintendent/Director of Special Education and/or designee

**JOB GOAL:** To enable students to derive the fullest benefits from school by clearly defining the strengths and learning needs of the student, using research based methodologies. In observing the student's behavior in a variety of environments, selecting procedures to address the student's various learning goals, designing experiments to determine the effects of these procedures on the student's behaviors, and working with family members, as well as instructional, support, related, and administrative staff, the BCBA will work to ameliorate behavioral problems that may interfere with the student's adjustment to school and the educational programs offered.

**PERFORMANCE RESPONSIBILITIES:**

1. Prior to any plan implementation, interviews staff and/or family members who know the target student to gather background and preliminary information.
2. Analyzes available data to help determine where, when, and why problem behaviors occur.
3. Directly observes the target student in all relevant settings, and analyzes data to determine the function of the problem behavior.
4. Defines all target behaviors in objective and measurable terms, and designs an appropriate data collection system to measure the target behaviors.
5. Completes functional behavioral assessment (FBA) reports.

## **BOARD CERTIFIED BEHAVIOR ANALYST (Continued)**

6. Integrates appropriate setting events, antecedents, teaching, and consequence strategies to reduce problem behavior and increase appropriate and more adaptive behaviors.
7. Ensures that the behavior intervention/support plan addresses the function of the problem behavior.
8. Trains staff and/or family members directly (i.e., in-person, with opportunities for questions, discussion) on the implementation of the behavioral intervention/support plan.
9. Monitors the student's behavior data and provides descriptive progress notes on a monthly basis.
10. Conducts treatment fidelity assessments to ensure proper implementation of the behavior intervention/support plan.
11. If the intervention has not produced substantial progress toward the intended goal within a reasonable time, analyzes the potential barriers to implementation and/or changes the behavior intervention/support plan, as necessary.
12. Reviews behavior data, meets and discusses with the appropriate staff any discrepancies noted on the behavior data (e.g., lack of documentation, inappropriate restrictions, or lack of appropriate consequences; situations in which the current behavior program or treatment approach was not followed appropriately) and, checks each report to ensure that information, time, date, and signatures are correct.
13. Consults and collaborates with classroom teachers, administrators, parents/family members, and other involved professionals regarding the implementation of meaningful behavioral interventions and/or materials, resources, and techniques necessary to meet the specific needs of individual students.
14. Keeps up-to-date in the field of behavior analysis and with current regulations governing the education of students with disabilities.
15. Participates in the development and delivery of in-service programs and parent seminars related to behavior interventions.
16. Works to keep the community informed of the special education program and the role of the board certified behavior analyst.
17. Serves as a case manager as assigned and maintains appropriate case records.
18. Maintains professional competence through in-service and other professional growth activities.
19. Performs all duties required as a member of the child study team by administrative code, state and federal laws and board policy.
20. Performs other related duties as may be assigned by the superintendent or his/her designee.

**ANNUAL EVALUATION:** Performance of this job will be evaluated annually in accordance with New Jersey State law and the provision of the board's policy on evaluations.

#53033

CLASSIFICATION: Specific Learning Disability

PLACEMENT: Mercer County Technical Schools.

PRO-RATED TUITION: \$5,580.00

JF/ks

This student is classified eligible for special education and related services based on the criteria of Specific Learning Disability. As an out-of-district student, he would like to attend vocational as all of our students are entitled. Unfortunately, the distance is too great which requires him to attend Mercer County Vocational as he attends The Bridge Academy which is located near Trenton.
