Dear Laurie Reilly,

The Ocean County Board of Health remains committed to addressing the various substance abuse issues affecting the residents of Ocean County. As such, the Ocean County Board of Health has dedicated funding for the Alcohol Education: Safe and Smart (formerly known as AlcoholEdu) program to benefit the 9th grade students at your school district for 2024-2025 school year. This evidenced based program is now called, Alcohol Education: Safe and Smart and is provided in the same easy virtual format for the 9th grade students. Enclosed is the agreement for your school to participate in the 2024-2025 school year. The agreement has been updated to hopefully expediate signature and subsequent implementation of the program. Please review to see who the best person within your school district would be to sign. If you have participated in the past, thank you for your continued support! If you are a new school or a new school contact, please reach out to me with any questions. Enclosed are two contracts for the 2024-2025 school year to be completed and returned with signature to my attention as soon as possible. A return envelope has been included. If you have any questions, please do not hesitate to call me at (732)-341-9700 x7536. Thank you for your time and dedication to the students of Ocean County.

Sincerely,
