

Welcome Message from Principal Kim Muir

Here at Beachwood Elementary School, we believe one of the most important values we can instill in our students is the importance of community.

As such, we strive to create a learning environment that encourages compassion, responsibility, and teamwork. Students participate in daily morning meetings to build classroom camaraderie and develop students' social skills. They engage in many grade-level traditions that have grown to be something students look forward to each year.

We are proud of our school and rigorous educational programs that are implemented with fidelity. I look forward to and anticipate a successful school year filled with learning, laughter, and growth.

“Life is a series of experiences, each one of which makes us bigger, even though sometimes it is hard to realize this. For the world was built to develop character, and we must learn that the setbacks and grieves which we endure help us in our marching onward.” - Henry Ford

Kim Muir, Principal
