Dear Parents/Guardians,

District News

The Toms River Regional School District is pleased to announce its first annual Social and Emotional Learning Parent Academy Night. Social and emotional development is the foundation for all learning to occur. In a world where emotional intelligence is critical for lifelong happiness, successful careers, and healthier relationships, SEL gives students a framework for developing these skills. Children need social-emotional skills to thrive both in the classroom and in life. Please join us for an informative evening of SEL presentations and a few surprises too.
