World Down Syndrome Day

HSE invites you to wear **LOTS of SOCKS** on **Monday, March 22, 2021** to raise awareness of World Down Syndrome Day. Wear **brightly colored** socks, **mismatched** socks, **long** socks, **printed** socks, **1** sock, even **3** socks... (for 3 chromosomes) or extra socks. Wear the socks prominently so people will ask you about it... get people talking and help spread awareness!

Why stop with socks... wear **blue** or **yellow** colored clothing to show your support!

Thank you!
