To our valued district staff members:

On behalf of the Toms River Board of Education, I would like to extend my heartfelt appreciation to all of our teachers, paraprofessionals, nurses, maintenance workers, drivers, safety officers, facilities personnel, and every single person who helps make this the best school district around.

The reason that people like myself and my colleagues aspire to become board members is to support our children and our students, and in turn to support the people who teach, encourage, and protect them. Truly, it is our distinct honor and privilege to work toward that end, and your tireless commitment to our children is an inspiration to us and to the entire greater Toms River community.

Teacher Appreciation Week is the ideal time to express just how much we appreciate your hard work and dedication to our students. Over the past year especially, you have gone above and beyond, and we simply cannot thank you enough. Our students are thriving and smiling again because of the love and encouragement they have received from you.

Every member of our school board— myself, Vice President Alex Mizenko, Kathy Eagan, Ashley Lamb, Joseph Nardini, Kevin Kidney, Anna Polozzo, Lisa Contessa, and Michele Williams—happily and proudly extends our sincerest thank you. May this message serve as a reminder that you are indeed appreciated, not just this week, but every single day. Thank you!

Sincerely,

Jennifer Howe  
Board President
