

Red Ribbon Week: Core Elements of Substance Use Prevention

October 26, 2023
6:30 - 7:30 pm via Zoom

COMPASS Academy
A Center of Learning for Caregivers,
Educators, and Students

About:

Join us for an informative and engaging webinar as we celebrate Red Ribbon Week, dedicated to promoting a drug-free and healthy lifestyle. This webinar will provide caregivers with valuable insights into critical aspects of substance use prevention, focusing on brain development and behavior, risk & protective factors, and the current state of substance-using and non-using behaviors in adolescents, along with strategies for shifting to a supportive approach. Empower our youth for a drug-free future! Don't miss it!

Presented By:

Dr. Linda Richter, PhD
Senior Vice President of
Prevention Research and Analysis,
Partnership to End Addiction

Cori Hammond, MPH
Director of Prevention Services,
Partnership to End Addiction

Registration:

This event is open to all New Jersey caregivers, including teachers and professionals. To register, please visit https://us06web.zoom.us/webinar/register/WN_DWqC-9b_SXmSA0nZcUoIDA
