Creating Ocean Monmouth Prevention
And Supports for Students

Raising Resilient Kids

November 30, 2023
6:30 - 7:30 pm via Zoom

COMPASS Academy
A Center of Learning for Caregivers,
Educators, and Students

About:

Join us for an informative and engaging webinar on raising resilient kids. This free webinar will provide caregivers with key protective parenting strategies, focusing on protecting mental and physical health, strengthening family functioning & parent-child bonds, and promoting school and community connection. Don't miss it!

Registration:

This event is open to all New Jersey caregivers, including teachers and professionals. To register, please visit https://zoom.us/webinar/register/WN_WNUN8AcTS500cqgFMJS1kg.

Presented By:

Linda Richter, PhD

Senior Vice President of
Prevention Research and
Analysis, Partnership to End
Addiction

Cori Hammond, MPH

Director of Prevention Services,
Partnership to End Addiction
