

Violence Awareness Week and Red Ribbon Week
at East Dover Elementary School
October 19-23 2020

At East Dover Elementary, we will acknowledge School Violence Awareness Week by focusing on activities to prevent school violence. These activities will include opportunities for student discussion on conflict resolution and issues of student diversity and tolerance. Our students will also take part in school wide events as follows:

Monday: Wear something RED as well to support a Drug Free School!

Remember that respect, responsibility and tolerance go a long way in making you a person that people will admire.

Tuesday: "Knock Violence Out of the Park!"

Wear your favorite baseball team shirt. Classrooms will discuss bullying prevention and character education. Topics to be covered will be how the victim feels and what you (student) can do when this happens.

Wednesday: "It Takes Character to Stand up to Violence!"

Dress as your favorite character from your favorite book!

Thursday: "Dress for Success!"

Dress like someone you admire! Remember that respect, responsibility and tolerance go a long way in making you a person that people will admire.

Friday: Inclusive Homerooms Rock!

Wear our school colors (Spirit Day) and team up with your Homeroom friends to work through conflict Resolutions Strategies and Conflict Management.
