

Welcome Message from Principal Erin Anders

Dear High School East families:

Our school webpage is designed to be a resource for parents and students who are looking for information about High School East.

At High School East we are always striving for EXCELLENCE. We believe that the job of an educator is to prepare our students to be college and career ready, to be productive citizens that exhibit the communication and critical thinking skills to be successful in whatever path they may choose.

This webpage will serve as a first stop for many parents and students. If you have any questions beyond this webpage do not hesitate to contact us for support and assistance.

Erin Anders, Principal
