

Welcome Message from Principal Ed Keller

In keeping with our educational philosophy, our students are involved in a comprehensive program rich with real life experiences. The skills obtained here will help create a firm foundation enabling each student to reach his or her potential, becoming successful citizens in our community.

Please take a moment to search our web page and see all that it has to offer. You will find a student activity calendar, our student handbook, as well as other resources to help you become an asset to our student body. I encourage all of our students and their parents to utilize our staff directory in order to build a line of communication with our faculty. A working partnership between the teacher, student, and parent is paramount in achieving our maximum potential.

Toms River High School North, the largest of all of the schools in the Toms River Regional School district, challenges every student to be active and involved. As your years unfold at North, seize the opportunity you have been given to make your future a success.

Our goal is for you to always bleed BLUE and GOLD and catch the spirit of the MARINER!
