This calendar contains two full days and four early dismissal (half) days for staff training.</p>																																																																																																																
														<p>**Note: Three extra days have been built into this calendar for emergencies, weather, etc. For each day not used by the end of the year, the last day of school for students and teachers will be reduced by one day in reverse order beginning June 20. If additional emergency closing days beyond the three are needed, they will be deducted from subsequent days and/or added to the end of the year as half-days beginning June 20. These adjustments may affect events and marking period dates.</p>
