

PRINCIPAL'S MESSAGE

Dear Students,

On behalf of the entire Intermediate East staff, I would like to welcome you. Our sincere hope is for you to have a positive and productive experience throughout your years here at Intermediate East.

As we all know, the transition from elementary to intermediate school and from one school year to the next may result in apprehension. Our mission here at Intermediate East is to create a safe and positive learning environment where you can develop academically as well as socially. I encourage each of you to get involved in our extracurricular programs, athletic teams, and after school clubs. There is something here for everyone, and when you get involved, you meet people that share similar interests and develop lasting friendships.

Our staff will not only educate you but challenge you every step of the way. Our TEAM (Together Everyone Achieves More) concept is our pride and joy here at East. Every staff member is here to continue your positive experiences in education and make you feel comfortable throughout your middle school years.

I look forward to working with you as you challenge yourself this year. Your work ethic and determination will dictate your success. Do your best each and every day and never settle for less. Treat each person you meet with respect and dignity, the way you would want to be treated.

Finally, be true to yourself and to the goals you have set. Persevere through any obstacle and you will have a rewarding and successful school year.

Sincerely,

James Cleveland

Principal
