

Hello Pirate Parents~

We are all hoping everyone is healthy, safe and happy :)

North Dover has created an Office Classroom which we invite you to join. This will contain any announcements from the district we receive, as well as parent email blasts, and messages from Mrs. O'Donnell, Mrs. Marella (nurse), Miss Kelly and Mrs. Rodgers, and myself.

When you open Google Classroom, there will be a '+' sign on top right of screen. Click that and you'll see 'join.' Simply type in the code: cnk4hwa and you will have access to our Office Classroom.

Here, you will be able to view announcements. There will be no comment access. Any questions, kindly email the appropriate office staff member.

Important Chromebook information, please read carefully:

Nearly all of our students are now well connected with their teachers and classmates using online platforms like Google Classroom in order to continue learning and meet state requirements. If your child has not been able to participate in on-line classes because you do not have a computing device at home, please inform Ms. McGrath cmcgrath@trschoools.com or Mrs. O'Donnell dodonnell@rschoools.com by Friday, March 27, no later than 12 noon. If you do not currently have wifi at home or there is some other issue we are not aware of, please let us know as well and we will do our best to help you.

For everyone's safety and to limit contact and travel, we will have one final Chromebook pickup for parents we have communicated with and determined there is a need. Pickup will take place Monday, March 30 from 10AM to 12 noon ONLY AT OUR THREE HIGH SCHOOLS. Your name will be provided to our Tech Team who will oversee the distribution, so we will also need to know which high school pickup location you will go to. Only parents whose names have been verified may pick up a Chromebook on that day and identification will be required.

Reminder:

Attendance is taken each day so please ensure that your child submits their work and keeps in daily contact with your child/ren's teacher(s). We are required to take

attendance as our Virtual School Days count towards our 180-day state requirement. Teachers are online and available to you from 10:00 am through 2:00 pm daily both through Google Classroom and other previously established communication tools such as Remind, Class DoJo, email, etc.

Message from SchoolCafe:

With the recent outbreak of COVID-19, the SchoolCafé Customer Support Team has seen an influx in refund requests as more parents are losing their income. In order to avoid the auto pay trigger, we have decided to globally suspend the auto pay feature for all SchoolCafé users. This feature will stay suspended until things return to normal.

As always, thank you for your support and cooperation.

Sincerely,

Ms. Colleen McGrath, Principal

Mrs. Dina O'Donnell, Supervisor of Instruction
