

Hello Pirate Parents!

We hope you enjoyed the long weekend with your family and that you may have been able to rest a bit :)

Below please find a small instructional change for district wide elementary students :

Change in Special Subject Areas: starting Tuesday, April 14, 2020, your child will only have two or three special subject area classes per week. The district has decided to reduce the overall special area workload to accommodate our families. Please be on the lookout in your child's Google Classroom for updates. Special area assignments for this week will be posted today, 4/14/2020, due by Monday, 4/20/2020. Moving forward, special area assignments for each week will be posted in each classroom on Mondays, with a due date on or before the next Monday.

Change in Weekly Lesson Plans: starting Monday, April 20, 2020, the district will implement a slight modification to the instructional layout during the week. Content area instruction will continue Monday through Thursday. Fridays will offer a student-centered and directed format composed of social-emotional learning activities, mental health activities, and virtual exploration opportunities. Personalized support for students will be available as needed and arranged.

This plan will remain throughout the duration of the school closure. We will continue to notify you of any changes/updates as we are notified. Please regularly check the district website for any updates as well www.trschools.com

Thank you, as always, for your support and cooperation.

Ms. Colleen McGrath, Principal

Mrs. Dina O'Donnell, Supervisor of Instruction
