Gr. 2-5 parents: The selection form for learning model choice (hybrid or remote) is now posted to the Parent Portal. It will remain available to complete through Wednesday September 30th. Kindly make your selection as soon as possible.

*Please note that the hybrid rotation groups for K-5 (Cohort A: Mon/Wed and Cohort B: Tue/Thurs) may be changed, and only at the discretion of the Administration, to ensure and verify the cohort groups are equally balanced and in accordance with safety and social distancing guidelines set forth by the CDC.

School is closed Monday, September 28, 2020 in observance of Yom Kippur.

From Tiffany Lucey, Technology Supervisor:

Securly Classroom is a tool our district uses to provide your child with over-the-shoulder support and a look into their screen during their class period by their classroom teacher. Teachers can guide, monitor, and communicate with students when class is in session and they are signed into their district-provided Google account.

Teachers can push out links, bring students to specific sites as a group, and guide them on their screen if they are struggling. Students can raise their hand if they have a question with the click of an icon and ask questions in a chat with the teacher if they need one-on-one support.

Attached please find flyers for Girl Scouts and information on child care tuition assistance.
