

Hello Pirate Parents!

We hope this finds you well and staying safe. We had a super 'first week' back for our Gr2-5 students :) It is starting to feel slightly normal again after 8 long months of not seeing our Pirates in person.

*Be sure to complete the COVID Health Screening form before (preferably before 9am) your child leaves the house everyday to come to school for in-person learning. He/She will not be permitted into his/her classroom until that form is completed by an adult in your home.

School is closed next week for Fall break, Monday, November 2- Friday, November 6. School reopens Monday, November 9th.

Please join Mrs. Marella's 'REMIND' and search Class Code: nde320020

Just download the free app and join for health related updates and reminders.

For the safety and security of our students at back doors during arrival and dismissal, please make sure all children are exiting and entering vehicles through the rear driver's side door. In order to facilitate the process, please make sure your child is ready to exit your car independently with all of their belongings for the day.

Attached please find a permission slip to be returned by November 13, 2020, for a class Google Meet photo to be taken on a Friday between November and January for our yearbook!

Thank you, as always, for your support and cooperation!

Have a wonderful Fall break!

Ms. Colleen McGrath, Principal

Mrs. Dina O'Donnell, Supervisor of Instruction
