

Hello Pirate Parents!

We are so excited and ready to have our Cohort A in-person students return on Monday, December 7th and Cohort B in-person students on Tuesday, December 8th!!

We cannot be more proud of our entire NDE School Community for everyone's hard work, dedication, patience and fortitude during these trying times. We will be following the same schedule as when we began the blended learning model earlier this year.

Please remember:

---Complete the COVID Health Form in the Parent Portal before 9am every time your child comes to school. He/She will not be permitted into his/her classroom until that form is completed by an adult in your home.

--- Provide an extra mask or two in your child's backpack

---Nut-free snacks only

---Nothing will be left in students' desks each day

---Notify Ms. McGrath, Principal, and Mrs. Marella, School Nurse, of any positive cases please

Please join Mrs. Marella's 'REMIND' (app) and search Class Code:
nde320020

Just download the free app and join for health related updates and reminders.

**School Pictures will resume as previously scheduled on Wednesday, December 9, and Thursday, December 10. If you have a question about dates or times for all-remote students, please contact your child's teacher.

In the 'Classrooms'...

Our third graders began reading *The Chocolate Touch* and are very excited to see the funny things that will happen to the main character. The book is a take on King Midas.

Mrs. Gottlieb's students are **READING STARS!** Many of them already know all their September to December sight words. They have been busy learning to blend CVC words with the help from their new holiday friends, Snowy and Mickey. They are all doing fantastic reading leveled books with their A-Z reading on-line library. Mrs. Gottlieb's class's favorite activity is WriteReader. Here students are learning to sound out words, create sentences, and publish them in an online book. It is always a magical day with Mrs. Gottlieb!

Enjoy the rest of your week and weekend.

Stay Safe and Be well~

Thank you, as always, for your support and cooperation!

Ms. Colleen McGrath, Principal
