

Hello Pirate Parents!

We are pleased to be sending free meal kits and milk home with all of our in-person students! Virtual students/families will still be able to pick up their kits and milk at school on Fridays.

This week, each student will bring home 2 kits, one on Tuesday for this week, and one on Wednesday for next week, as school is closed for Spring Break next week.

Attached is a photo of what is included! After this week, should you choose to forgo this option, please notify your child's teacher so our distribution count remains accurate. However, I encourage you to take advantage of this opportunity!

As always, thank for you continued support and cooperation~

Sincerely,

Ms. Colleen McGrath, Principal

Mrs. Dina O'Donnell, Supervisor of Instruction
