

Hello Pirate Parents~

From the Nurse's Office:

Just some reminders as everyone gets ready to enjoy their summer break:

All medications that are in the Nurse's Office must be picked up by a parent or guardian prior to the close of school on Tuesday, June 22. Medications are not "saved" until September and children are not permitted to transport them.

Each school year requires all medications to have new/current doctor orders for the upcoming school year. All forms are available on the web site: [www.trschools.com](http://www.trschools.com) under "parents".

5th Grade Parents: If your child will be participating in a sport next year, a "Sports Physical" is required by their pediatrician. Forms are available in my office with a deadline of August 20 for the fall sports season.

All required immunizations should be sent to their Intermediate School if they are done over the summer. Please make a copy of the record before dropping the immunization records off at the school.

Good luck to all our students as they continue with their education and may you have a healthy summer.

YEARBOOKS:

This year's YEARBOOKS are in!

If you pre-ordered a yearbook, it should have come home with your child on Tuesday. Students who pre-ordered but are virtual and any 5th graders

who are virtual (who get a copy for free from the PTO) can pick up their copy from 8:30 am - 3 pm in the main office. We have a limited number available to purchase on a first come, first served basis for anyone who did not pre-order. They are available in the main office (same hours as above) for \$20, checks made payable to "North Dover PTO."

Special Thank You to Dr. Rossi for creating a fabulous yearbook of memories for our 5th graders!
