As part of our ongoing efforts toward raising awareness for mental health, all of our elementary buildings will be receiving mental health bags to be distributed to students in grades 4 and 5.

Inside each bag is a branded bracelet, magnet, and face mask, as well as a flyer for the YMCA Youth Counseling program. The logo #TRCARES was developed by our district Mental Health Taskforce to spread awareness

about increasing access to school-based and community resources to support positive mental health. The bags were created by Toms River-based Farro's Tees, and the initiative was funded by the H. Hovnanian Foundation as well as alternate federal funding earmarked for mental health. The Youth Counseling Program, in its second year of a three-year Hovnanian-funded grant cycle, serves students of all ages throughout the district with both in-person and virtual support services, and features a full roster of YMCA-approved and licensed clinicians.

Thank you, as always, for your support and cooperation.

Have a great weekend!

Ms. Colleen McGrath, Principal

Mrs. Dina O'Donnell, Supervisor of Instruction
