

Hello Pirate Parents!

Remember to set those alarm clocks and practice getting up early because school starts on Wednesday, September 8th!

We thoroughly enjoyed our orientations this week, especially meeting our newest Pirates! We are so excited to have so many wonderful new (and returning) families with us.

If you are not using the bus and are driving your child to and/or from school, we are using the same system as last year. We reviewed this at Kindergarten and new student orientation.

*Please remain in your car with your child until you reach the appropriate location (between Door 17 and 17a) where a staff member will instruct you to allow your child to exit your car and come into the building. Do not park in a spot and walk your child. Please make sure they are fully prepared to exit your vehicle with their belongings and mask in place so we are able to maintain a smooth flow of traffic.

**This system ran extremely well last year, and we are anticipating the same results this year with your cooperation.

****Friendly reminder to please notify your child's teacher, in writing, if there is a change in your child's dismissal. If you are sending an email, please include Mrs. Rodgers at dodgers@trschoools.com and Miss Kelly at ksomma@trschoools.com

The lunch menu for elementary school will be posted weekly on the district's homepage. Click on 'Parents' then 'Food Services.' You may put money on your child's account for A La Carte items at www.schoolcafe.com

The North Dover Student Handbook will be available on or before Friday, September 10, 2021, on North Dover's homepage at www.trschools.com/northdover

**Our buses tend to run late in both the morning pick up and afternoon drop off for the first few weeks until our amazing drivers get the routes down. Thank you for your patience.
