

Welcome to Silver Bay Elementary Home of the Seagulls!

It is my privilege to serve as the principal of a school where education is truly a community effort. Here, learning extends far beyond the walls of our classrooms, thanks to the dedication and involvement of our families, local organizations, and staff. We are proud to partner with local businesses and community organizations to provide meaningful opportunities for our students to grow as leaders, problem-solvers, and active citizens. Through our Positive Support in Schools initiative, we foster a culture of respect, responsibility, and kindness—helping our Seagulls develop the character and confidence they need to soar. These partnerships and programs help our students see the real-world impact of their learning while encouraging them to take initiative, work collaboratively, and give back to the community that supports them. Together, we celebrate our successes, overcome challenges, and create a vibrant, nurturing environment where every student can thrive.

Watch Us SOAR!
