

Dear Parents/Guardians,

The 2023-2024 school year will be as unique as each one of our students who attend Washington Street Elementary School.

Together we will work to ensure each child's unique needs are met and each child continues to grow both socially and academically.

At Washington Street Elementary School, we believe that it is important to develop relationships with each of our families through frequent communication.

We will be doing this by utilizing weekly email blasts, Twitter (@TRRSWashington), Instagram (@trrsWashington) and the school's website. Please reach out to your child's teacher frequently to stay up to date with your child's progress.

"Once a Warrior, Always a Warrior"

Sincerely,

*Jeffrey D. Ryan, Principal*
